Some Accomplishments

MS SQL + .NET @ Linux Docker Swarm

Jun 2021

MS SQL 2019 + Dotnet 5.0.7

All running on Docker swarm at Linux

MS SQL Server Standard 2019 to Unix Cloud

Oct 2020

MS SQL Server Standard 2019, Ubuntu, Portainer.io, Docker, Iptables security, All servers @ swarm.
Healthcare industry.

Business Process Optimization

Feb 2019 – ..

Bioprocess production pains process software implementation. Manufacturing, Accounting, Sale and Purchase. Odoo v10

Manufacturing Process Optimization

Jan 2018 – Mar 2019

Optimization of reflector production process planning and software implementation. Sale order process integrated into the manufacturing process. Odoo v10

New Accounting Report Engine for Odoo 10

Jan 2019 – Mar 2019

Based on python, XML and javascript

Free Estonian Accounting Software based on Odoo SAAS

Sep 2017 – Jan 2019

Fully automated sign-up process with DNS API for domain creation

Odoo V10, accounting functionality by Gurud.ee, SaaS (base code) by OCA

Estonian X-Tee Security Server + Timestamp Service to Cloud

Jan 2018 – Sep 2018

Very unique project for healthcare industry

Odoo 10 @ docker swarm

Jan 2018 – Apr 2018

Automated HTTPS, DNS etc..

Estonian Chart of Accounts and Tax System for Odoo 10

Apr 2017 – Nov 2017

Gas/Water Meter Management and Billing Software

Jan 2013 – Dec 2014

Based on OpenErp 7, complete solution

International Logistic Company GAAP Accounting

Feb 2012 – Nov 2014

Analysis and implementation. Based on OpenErp 7, complete solution.
